

CYNOSURE

Smartlipo®

Why **Smartlipo** continues to be the leader in minimally invasive laser body contouring!

Define and Differentiate

TECHNOLOGY LEADER

- Smartlipo remains the industry's gold standard: over 10 years of clinical success

MOST CLINICALLY VALIDATED

- More than 45 clinical studies – Smartlipo is used across 5 continents

EXPANDED INDICATIONS

- Laser lipolysis of the body, neck/jowls
- Skin tightening through soft tissue coagulation
- Hyperhidrosis

BROADEST CLINICAL VERSATILITY

- Three wavelengths provide targeted treatments
- 1320, 1440, and 1064 nm wavelengths disrupt fat, coagulate blood vessels, and stimulate collagen which means less swelling, bleeding and bruising for patients

HIGH PATIENT SATISFACTION

- Maintains an 87% "Worth It" rating on RealSelf
- Results achieved after only a single treatment session
- Minimal downtime

PROVEN SAFETY

- Unique ThermaGuide and SmartSense technology, for efficiency with maximum safety
- Laser assisted liposuction, such as Smartlipo, offers a treatment with an excellent safety profile and short recovery period for patients.

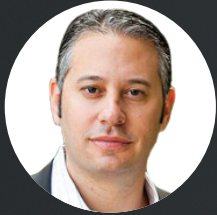

1,000 Consecutive Cases of Laser-Assisted Liposuction and Suction-Assisted Lipectomy Managed with Local Anesthesia. S J Theodorou, C.T. Chia. *Aesthetic Plastic Surgery*: Volume 36, Issue 4 (2012) pg 795-802

UNMATCHED SUPPORT

- World-class service for expert set-up and support
- Hands-on training and certification from a regional center of excellence, coupled with on-site instruction, to quickly build confidence and generate practice revenue
- The complimentary Amplified Marketing Practice Support (AMPS) program helps practices market their new treatment offerings and increase patient traffic and revenue

e with Proven Technology

TESTIMONIALS

"The Smartlipo Triplex system has improved my surgical results in many ways and at the same time helped to differentiate my practice in the extremely competitive marketplace."

Dr. Sean Simon,
Plastic Surgeon
Miami, Florida

"In my practice, this has been the most versatile laser. I use it in almost every procedure that I do. I've been very happy with Smartlipo, its give me a lot of confidence in terms of my outcomes, if my outcomes are good, it's a draw for patients."

Dr. Christine Petti,
Plastic Surgeon,
Torrance, California

"I perform combination procedures with Smartlipo, because it helps tighten* and improve the contour and outcome, so ultimately patients are happier. Patients want skin tightening and a reduction in fat, and I think Smartlipo is the best product on the market for that."

Dr. Dennis Schimpf,
Plastic Surgeon,
Summerville, South Carolina
